Dear Readers,

It is my privilege and honour to present before you, this unique and feisty episode of The Chelseaite - a Magazine symbolic in its authenticity and opulence.

I look back with gratitude to God and our Mother foundress St. Claudine Thevenet for helping us to complete with another successful academic year. A year which was full of new challenges, achievements and activities. Through its journey of 159 years, Chelsea has etched an eminent landmark in the academic and cultural landscape. With its firm belief that education is not mere accumulation of information but life building and character making assimilation. We also emphasise on inculcating values through special assemblies so that every child who passes out this portal of learning be enlightened to face life's challenges. The school conducts an array of activities and competitions throughout the year bringing out the skills of creativity, critical thinking, innovation and divergent thinking of the students.

We've come through a year that was filled with both challenges and victories. How reassuring it's been to know that we can count on all of you regardless of what faces us. I take this opportunity to thank everyone for all their efforts throughout the year. I laud the relentless efforts of our teachers and support staff for playing their role well and giving their best in bringing out the best in each child. Thank you, dear Teachers, for your dedication, loyalty and commitment. I extend my sincere gratitude to you dear Parents for your valuable contributions to this institution through your encouragement, continuous help and support.

The school magazine in hand would be a nice tool which will surely help you to get the glimpses of the year long activities and achievements of the students of our school. In this pursuit of excellence, I appreciate the Editorial team of teachers and students for having successfully brought out the essence of the Chelseaite Spirit through an aesthetically planned pictorial depiction of THE CHELSEAITE 2022.

I hope you take delight as you flip through the pages of the Magazine and connect into the past with pleasure over the delightful memories of the year that was 2022.

*"Do the best you can until you know better.  
Then when you know better, do better."*

After a challenging phase of pandemic humanity has surely emerged, evolved and enhanced, and the work is still in progress. It is rightly said that "to err is human," and definitely it is but also is to progress. We definitely need to step out of our cocoons, shells and mental yokes to discover and progress. Falling is not fatal failure but, not getting up and trying is. We are created in God's own image so giving up should never be an option.

Let's strive incessantly to become the Masters of our ships, rise, augment and amplify our capabilities and goodness. And that was the pristine and powerful Chelsea vision for this year. The year 2022 was a year full of activities, achievement, Fun and Fiesta.

It is aptly quoted, "Good pots require the ardor of vocation and the devotion of lifetime." These tiny delicate hands carving the destiny of mankind need to be channeled and nurtured, for them to reach the zenith of their dimensions and yet stay grounded. These unmatched minds and souls are always guided in their efforts by the unwavering ideals and undaunted Chelsea spirit.

The editorial board sincerely, aimed at bringing you this festoon of imagination secured by the bow of love, creativity, zeal and triumph. Working throughout the year the editorial board meticulously showcases at the talent, aptitude and legacy of the ever enthusiastic Chelseaites.

The editorial board is genuinely grateful to the guiding light of Chelsea, Sister Stella for providing us all with this wonderful and great opportunity. My heartfelt gratitude to the gracious Manager Sister Asuntha, assiduous faculty and the amorous students for being highly instrumental in giving shape to this exquisite amalgamation of artistry, imagination, wisdom and adoration.

This magazine is not a result of the efforts put by an individual, but all the meritorious members of the editorial Board. I would like to extend my sincere sense of gratitude to our Honourable Principal Sr. Stella Mary, respected Teacher Editors and all student editors for their guidance and efforts. I would also thank my dear Cheleasites for their contribution, their innovative ideas, their enlightening articles and art work.

In the contemporary world, the predominance of technology and smart phones in particular has led to the extinction of creative skills and imagination by our reliance on these tools. Creativity is often referred to as a "use it or love it" discipline. In today's world we can access anything we like online. There is information regarding

everything all over the internet which has led to deterioration in creative skills among children. Thus, the aim is to encourage the budding young minds to let their creativity, ideas and innovation flow out in form of words. And there can be no better place for such innovative and eloquent views than the school magazine. This magazine is about celebrating and encouraging the revolutionary minds of today, preserving the times we witnessed together and about ideas, words and beautiful images.

At last, I would like to thank the readers for being a part of this beautiful compilation.

Wishing you a happy reading.!

# Message by Head Girl

***"It is not in  
the stars  
to hold  
our destiny  
but  
ourselves..."***

-William Shakespeare  
(Juius Caesar)

Serving as the head girl of Convent of Jesus and Mary, Chelsea was a true honour for me. For deeming me worthy of this position I would like to express my deepest sense of gratitude to our Principal, Sister Stella Mary, teachers and the entire Chelsea family. Above all, I would like to thank the people who believed in me since the beginning and to whom I owe everything-my parents.

It is the most special and glorious feeling of holding the beautiful lavender school flag in my hands, donning the majestic sash over my shoulder and wearing the august badge on my collar.

Through my journey, I have discovered that your leadership is fighting for what you believe in, doesn't matter if you are alone in that; holding your head up high even when you have absolutely no ounce of strength in you and smiling even when you are wary and in pain.

It is choosing courage over comfort, choosing what is right and virtuous over what is fun and easy.

The world will try to change you, the world will judge you, criticise you, try to break you, but the bravest thing you can do is believe in yourself. I personally believe that there is a resounding level of bravery to be found in loving yourself, embracing your inner strength and beauty, celebrating your magic and moving fiercely towards your dreams. And believe me, once this happens, you become unstoppable and invincible. Be a warrior and follow your heart and your intuition. be fueled by self-confidence and belief not by the validation of others. You are made of magic and dreams, wishes and light. Don't let anyone tell you otherwise. I hope you learn to be proud of yourself, I hope you see your self-worth and the light you radiate.

Don't try to fit into the crowd because your grace will shine through no matter what. Your story will unfold beautifully once you start focusing and channeling your energy towards your ambitions, growth, well being and dreams.

I wish and hope that you build a life, you have envisioned for yourself.

I thank my alma mater for 14 glorious years and I hope that may the campus of CJM witness thousand rising suns and may this legacy never die, may this legacy never die...

# DISCIPLINE HOUSE REPORT

"Discipline is the bridge between goals & accomplishments."

The events for the year 2022-23 began with the installation ceremony on 2nd April, 2022 and I was appointed as the School Discipline Captain with the assistance of Priya Thakur, school Discipline Vice Captain.

The year 2022 came up with a number of events, competitions and activities in which all the children participated with full enthusiasm and complete discipline. It is very important that a child especially during his/her school days is properly disciplined because tolerating bad behaviour is the same as training defiance and rebellion in the heart of a child.

Our school always prioritizes discipline. School's over all discipline is reflected not only when students are in school premises but even outside because discipline does not limit itself to how we dress and how we speak but discipline is the mirror

to one's character and moral upbringing.

It is rightly said, "motivation gets you going, but discipline keeps you growing." I would like to express my gratitude to our esteemed Principal Sr. Stella Mary for bestowing her trust on me. I would most humbly like to thank our school Discipline teachers: Ma'am Kiran, Ma'am Kusum, Sir Suresh, Ma'am Anju, Ma'am Ranjana, Ma'am Aditi, Ma'am Pooja and Ma'am Anita Rahal for always supporting and guiding us.

There is no magic wand that can resolve our problems. The solution rests with our work and discipline. So let us make our lives worth living while making ourselves disciplined and by standing by the school motto.

"Do not yield to evil but fight against it".

Long Live Chelsea!

- Gunn Seth  
School Discipline Captain

# GAMES & SPORTS REPORT

"The moment you give up, is the moment you let someone else win". -Kobe Bryant

Convent of Jesus & Mary Chelsea has always encouraged sports activities and provided various opportunities in physical activities which enhances students' endurance, mental strength, patience, team spirit and above all one's individual personality.

The year 2022 has been a blessing after the pandemic. Our school had various activities in which students participated with full enthusiasm. Students are provided with the best infrastructure with various courts, playgrounds and game equipments for different games and events such as Basketball, Volley ball, Cricket, Kho-Kho, Yoga etc.

Sports teaches you character, it teaches you to play by rules, it teaches you to know what it feels like to win and lose. It teaches you about life. With this thought in mind various inter house matches of Kho-Kho and Badminton were organised in which all the houses did very well in training their players. Also an inter school badminton tournament was organised in Auckland School where our team reached semi-finals and gave a tough competition. As it is rightly said to give any less than your best is to sacrifice a gift." Chelsea ensures not only mental development in children but also makes sure that every provident becomes

physically fit. The sports teachers of the school manage to help children in various physical activities and sports. They continuously guide children to reveal their character through games. Also I would like to extend my heartfelt gratitude to our esteemed Principal Sr. Stella Mary for giving me this opportunity and guiding me throughout the years.

At the end, it won't be wrong to say, "Obstacles don't have to stop you, if you run into a wall don't turn around and give up. Figure out how to climb it. Go through it, or work around it."

# PERSEVERANCE

## HOUSE REPORT

*Patience, persistence and perseverance make an unbeatable combination for success. Blue symbolizes peace, wisdom, and reliability.*

I was honoured with the responsibility of Perseverance House Captain on 2nd April 2022. This year was more of a roller coaster ride for both me and my housemates. We came across a fair share of victories and losses. Beginning with the Bulletin Board, our House bagged the First Prize twice, thereby showcasing their commendable artistic skills. In terms of academic achievement, we bagged the 2nd Prize in the Inter House GK Quiz competition. Giving sports the same priority, our House simply excelled in the Badminton matches, having ranked 1st overall. We also stood 2nd in the Senior school Kho Kho matches. During the annual PT Display, our athletes showcased their sporting skills by winning a fair share of medals in various categories, from races to relays. 'A great teacher not only inspires but supports and encourages his students to get results.' All of this wouldn't have been possible if it weren't for the constant effort and support of our House Master, Sir Manoj, and our House Teachers. Every student showed an appreciable amount of dedication and hard work towards the house activities. I hope that students understand the true value of hard work and perseverance in every pursuit of their lives and keep the school banner flying high!

# GENEROSITY

## HOUSE REPORT

"For the great doesn't happen through impulse alone, and is a succession of little things that are brought together."

-Vincent Van Gogh

Vincent Van Gogh's Paintings called sunflowers, have special meaning for me. He wrote that these paintings depicted 'gratitude'. And that is exactly what I feel at the end of such an amazing year. Coming to school after 2 years, 2022 certainly was a year full of opportunities for me. As I was given this badge, I felt honoured and blessed to lead this amazing group of students. I wished to work hard together and keep our house banner flying high. The children of Generosity House worked with full dedication and tried their best to give their 100% in everything. With the coming of different competitions, we were enthusiastic. The display of bulletin boards by a different class every month aimed to increase creative skills of children and I can say that my house has learnt a lot from them. In Public speaking skill, a lot of our students have helped our house get the first position. Hard work always pays off. We learned this during this year's annual day where Generosity House bagged the 2nd Best House position as the runner up house overall. My House has given me so many memories and I am forever grateful for them. I thank our Principal, Sister Stella Mary who bestowed me with such responsibilities which helped me build myself. I thank our house mistress, Ma'am Sonam Chauhan and all the teachers of generosity house for supporting us and encouraging us to do our best. I appreciate efforts made by every single student to make this year a huge success for our house. I want everyone to keep working hard and keep their heads high.

In the end I would like to leave the young minds with a thought —

"dum spiro spero" which means:

"while I breathe, I hope" I hope for a better tomorrow".

# HONESTY

## HOUSE REPORT

Red symbolises danger,  
fury and war but at the  
same time it symbolises  
love, passion and courage.

Red is not just a colour,  
it is an emotion that tells us  
to stand tall and look ahead  
unfazed by any obstacle  
trying to bring us down.

I was bestowed with the honour of being elected the house captain of honesty house on 2nd April 2022 not knowing that this batch would reward me a lifetime worth of memories, lessons and bonds. The year 2022 was full of ups and downs, with red house having roaring victories as well as a fair share of losses. In bulletin board, The house bagged the 1st, 2nd and 3rd positions twice each. Red is also a symbol of athleticism, in badminton red house came 1st in the 9 and 10 category and 2nd overall. Not far behind in elocution, the house came 2nd overall in the English declamation competition held on August 6th. In the annual P.T. display held on 21st October, red again showed its enthusiasm for sports by bagging several prizes in races and 2nd place in the inter house drill competition. Honesty house was given the trophy for the best house for marching. All of this wouldn't have been possible without the constant support and guidance by our house teachers and house mistress Ma'am Tanu Sood, and of course the hard work and dedication of each and every red house member. This year was a lesson for all of us and I hope that my 'redies' will always give their best in everything they do and keep the school banner flying high.

# RESPONSIBILITY HOUSE REPORT

*“Responsibility is accepting that you are the cause and the solution of the matter.”*

14 years of my journey, in this beautiful institution I learned, that each day is important to build one's character. My first and foremost thanks and gratitude is to almighty God who helped me out shine my house and gave me the strength to stand for the right. On 2nd April, 2022, I was installed as the captain of the responsibility House (Yellow) along with Avni Sen as the Vice Captain and Ma'am Twinkle Raina the House Mistress. I extend my heartfelt gratitude towards our Principal Sr. Stella Mary for believing in me and supporting me in worst of times.

The first activity of the year was the G.K. Quiz in which our house was declared the winner team. The second activity as the Inter-House Kho-Kho competition in which we emerged as the winner of the match and in the Senior School Kho-Kho match, we bagged the first prize again. Every month bulletin boards were put up to show case the students' talent. We won the first prize 3 times and third place for 3 times.

In the Junior School P.T. Display, we won The Best House of the P.T. Display Meet. We also won the best house drill for the sports P.T. Display-2022 and at

the end after all the sweat, hard work, tears, we won The Best House of the year Trophy. I thank entire team for working so hard the entire year. I would also like to thank my pillar of strength ma'am Twinkle who guided me at each and every moment.

I would fail my duty if I don't thank Ma'am Shradha Thakur my house teachers-Ma'am Veneeta, Ma'ma Shiwali, and Ma'am Anupam for showering their blessings over me and helping me throughout.

I also thank my house vice captain Avni Sen and my house mates who were Captains and Vice Captains of the cabinet. Gunn Seth, Vanshika Sharma, Gehna Chandel and Priya Thakur for standing by me and working as much as I did. Indeed I was blessed with the best.

Never be afraid to raise your voice for the truth. Rise like the phoenix from the ashes of failures and become the phoenix of love and compassion.

Thank you.

# SOCIAL SERVICE REPORT

"The happiest people I know are those who lose themselves in the service of others."

The year 2022, has been serviceable for the upliftment of the society and mankind. Man is primarily a member of a society. We should not only be concerned about ourselves but also for welfare and development of society as a whole.

Students have been constantly striving with a heart filled with love and care for the society. Regular classes for the special children of the school are taken by the teachers of Chelsea after school timings. Also the school cabinet spent their quality time with the less privileged children

on 'Deepawali' and also gave them sweets and gifts.

The main objective of all these activities is to serve God through act of humanity. The feeling of self satisfaction that comes when one sees the unshed tears of joy in the eyes of one whose hunger has been appeased, whose thirst has been quenched and whose needs are fulfilled is indeed heavenly.

It was interesting how each class not merely learned the lyrics but also worked hard to comprehend them as well. Firstly we had the students of classes 6 to 7 singing group songs. Afterwards we started with the first batch of solo singers, ranging from classes 6 to 7. The melodious songs pulled the heart strings of the audience. Then we began with group singers of class 8, followed by solo singers of class 9 and 10. Each participant showed their mastery over voice modulation, pitch, rhythm and tone.

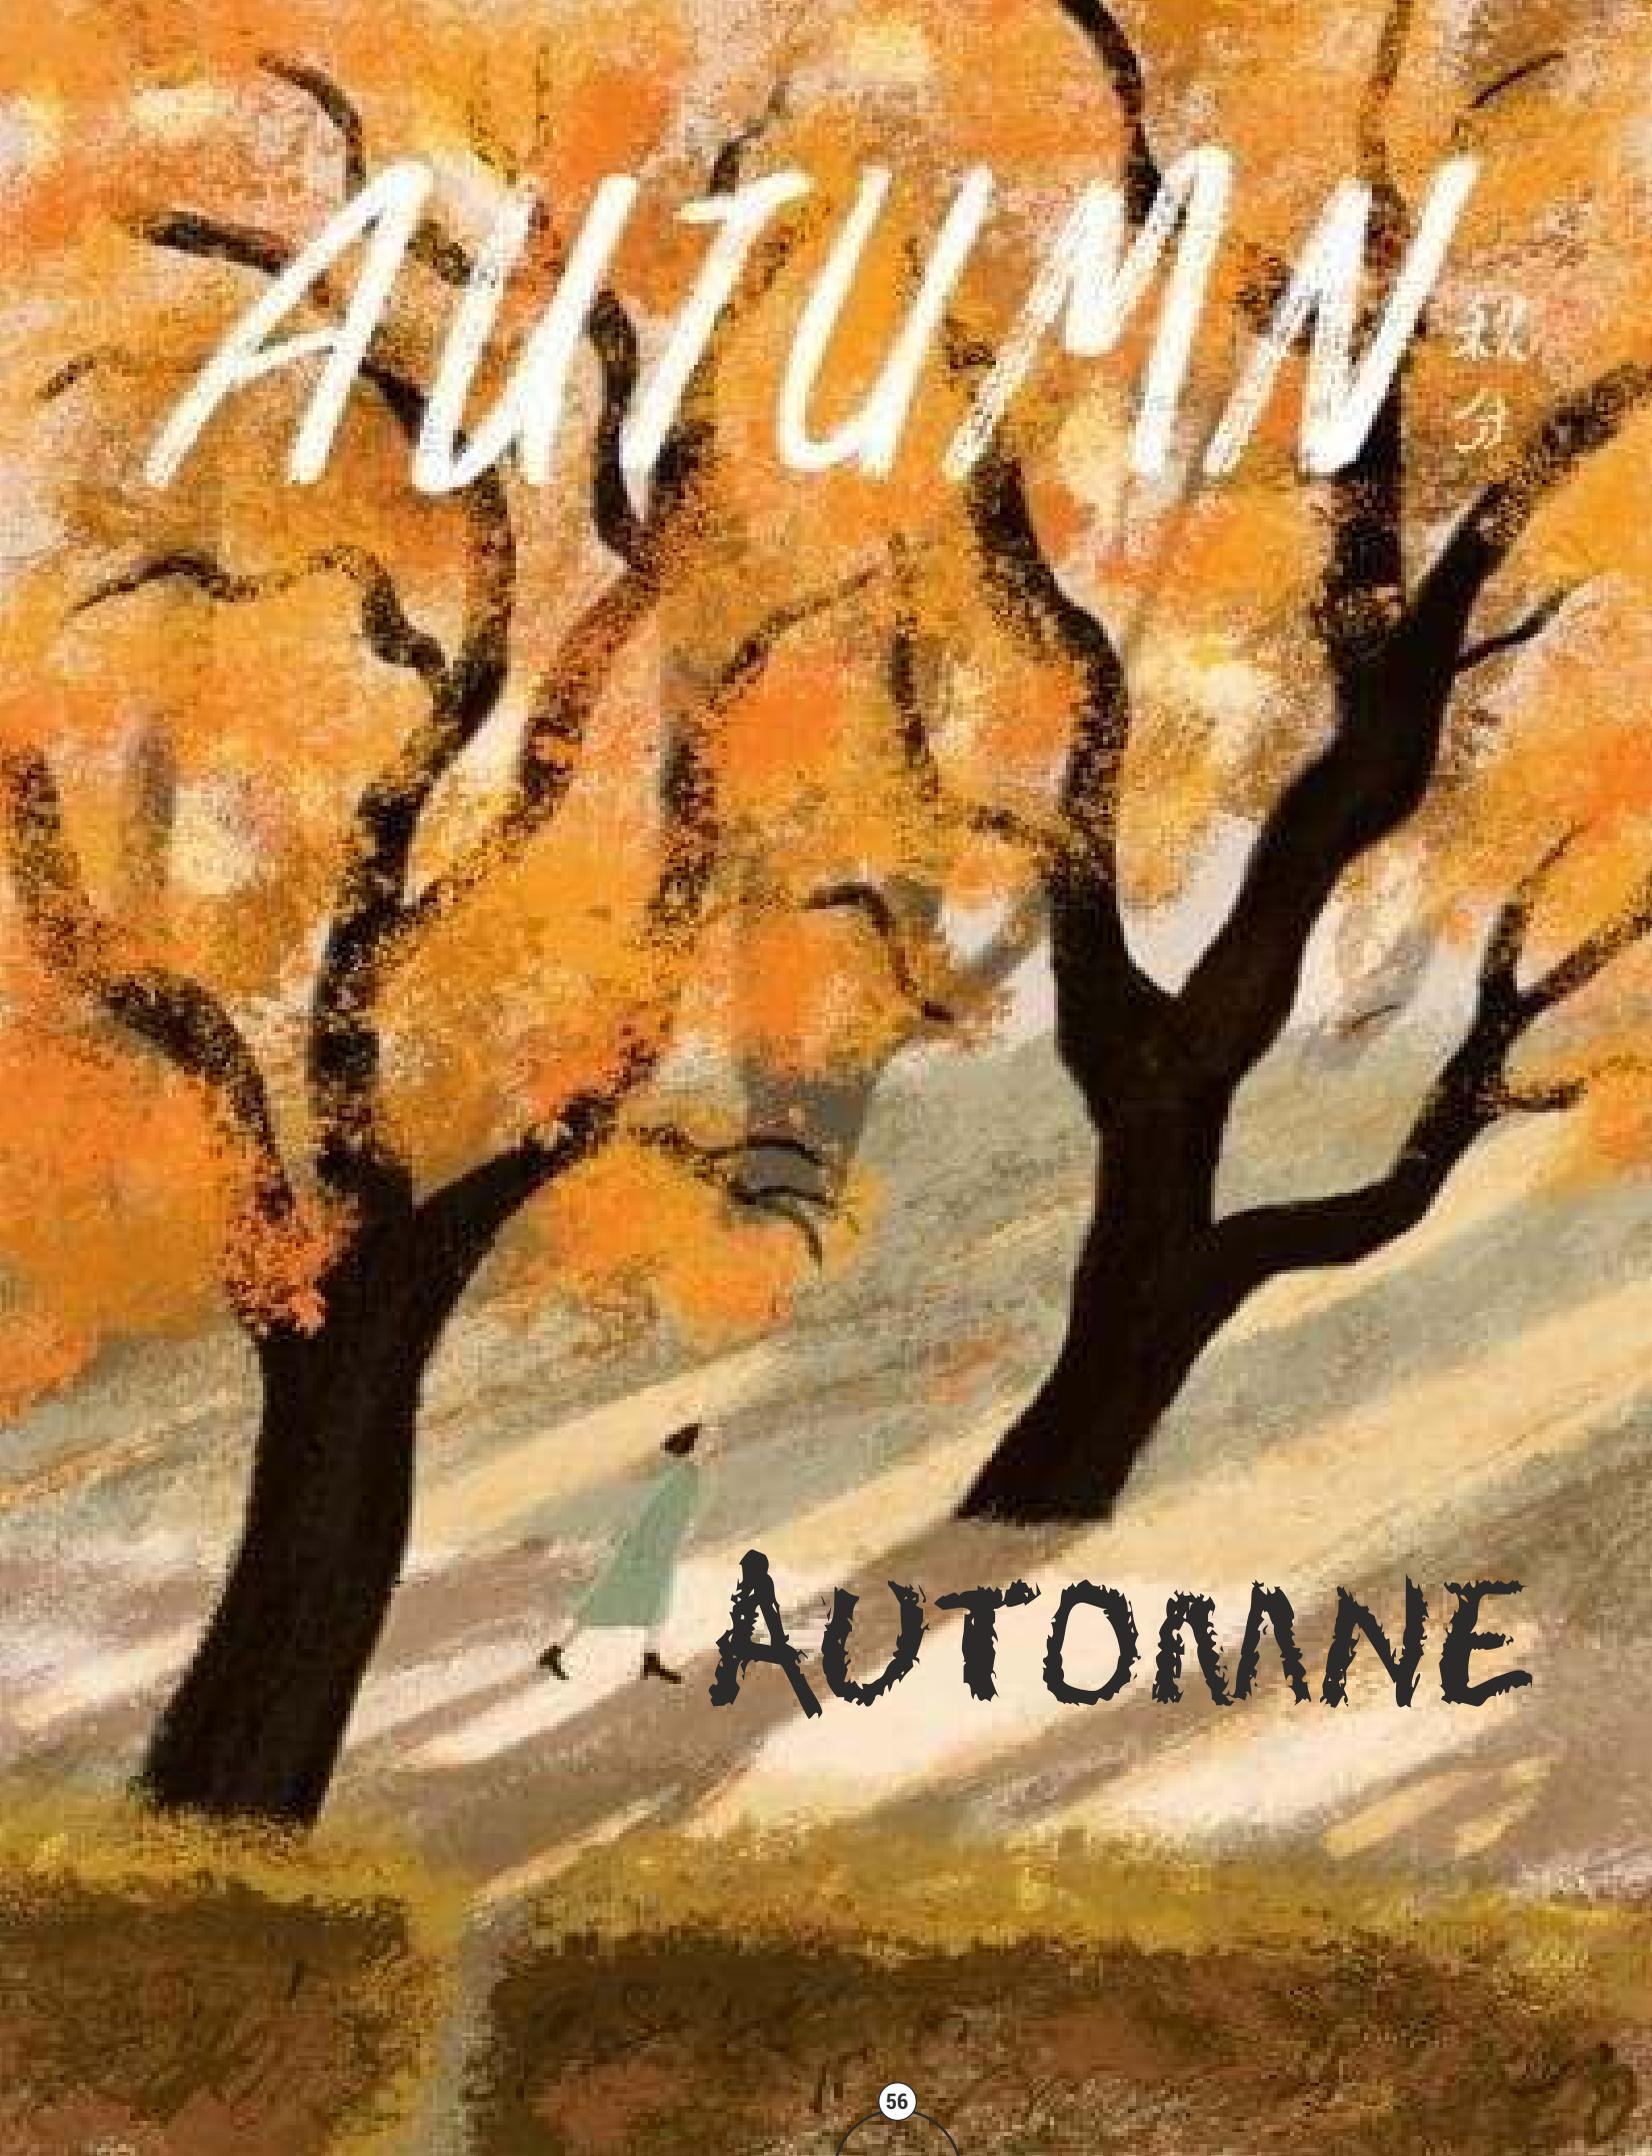

This competition led to the discovery of potential talent in singing amongst the students and these students will bring glory to the school in the future. The success of the show could be well judged by the smile on the faces of the students and teachers.

Travel opens your heart, broadens your mind,  
and fills your life with stories to tell.

On 30th September with delighted hearts and zealous souls, the teachers of Chelsea boarded a fun filled ride to Srinagar where we were welcomed with Kahwa.

1st of October found the inquisitive Chelsea Mentors enchanted by the soothing breeze of maple trees, the lovely rippling Jhelum, Dal Lake and apple orchards. After hearty breakfast we headed towards captivating Gulmarg for the most famed Gondola Ride to the largest and the highest cable car ride in Asia from Gulmarg to Kungdoor and then to Apharwat Peak the highest point. The ride and the view upwards were adventurous as well as charismatic. The picturesque view at the top of the Apharwat peak was mesmerising and spellbinding. Strong gales at the highest tip of India and the peace and tranquillity was immaculate. After most needed cup of tea and Maggi, Snowflakes also bade us goodbye from the Apharwat peak. We had the sumptuous lunch at Kungdoor which is the only halt midway. After an exciting day we headed towards another highlight for the day that is, Shikara Ride in renowned Dal Lake which was an amazing experience with a floating market and remarkable outline of Shikaras and Mountains. It indeed looked like heaven and was quite relaxing and therapeutic to witness the magic of nature.

On 2nd October after check out from the hotel the Chelsea Contingent set off to Pehalgam to see Mini Switzerland and the exciting mode of transport was Pony Ride which was quite exploratory and adventurous. Many of us had our heart in mouth when those ponies manoeuvred through the edges of the hilly terrain. That surely is once in a lifetime experience, eventually to reach Mini Switzerland and behold the exquisite working of good Lord. The beauty and visuals were beyond explanation. It indeed felt like heaven on Earth. We made a lot of memories along with pictures in Kashmiri Attire. Then the ponies brought us down to the starting point from where we headed back to Srinagar for a stay in House Boat at Nigeen Lake which surely was the icing on the cake. To top it all there was Sufi Night which paved the way to a melodiously ensnaring evening. The entire audience thoroughly enjoyed the ambience and the local delicacies.

On the fortunate day of 3rd October we had a chance to visit the temple of Lord Shiva made by renowned sage Shankaracharya. From the top hill we could see the entire Kashmir. It was absolutely breathtaking and spectacular. After a scrumptious Biryani meal we headed back to airport with tons of memories, fun and frolic.

Christmas is celebrated as a day of the birth of Jesus Christ all over the world and it symbolizes the significance and purpose of life. The name Christmas comes from the mass of Christ or Jesus. It is the time of the year when friends and family come together and celebrate it with joy and spread happiness with each other. Christmas symbolizes sharing, joy, togetherness and love.

# NEVER STOP LEARNING BECAUSE LIFE NEVER STOPS TEACHING

**A**ccording to Hindu Mythology, a soul is born in a human body after taking eight million four hundred thousand births and rebirths through different life forms like a dog, a monkey, a bee, a spider an earthworm and a a mosquito to name a few. In simple terms we can say that it is a great privilege to be born as a human. It indeed is so special because human intellect and capability is considered to be the most superior among all the creatures of the world.

As a result, once we are born as humans, we are expected to make the best out of this rare opportunity as far as our existence as a soul is considered. It is only through this human body that we can learn all the skills, and art forms available on the face of this earth.

Therefore, it becomes an absolute necessity for all of us to never stop learning and also to strive for self improvement as a human being. It is of utmost importance to learn any new skill or art which may suit our individual interest or liking.

The special ability of humans to be able to use their limbs to do meticulous work is a great boon. So, dear fellow human beings lets keep learning new things in order to make ourselves more useful for our family, friends and society on the whole. So, during your free time take a vow to learn something new may that be painting, cooking, dancing, singing, playing a musical instrument or even knitting. But do learn something new.

*"The more I live, the more I learn.  
The more I learn, the more I realize how less I know."*

## ***Fairy With Rainbow Wings***

This time when we entered our school,  
There was a fairy with an enchanting smile and her  
motherly wand.

This for us she turned into a magical bond.  
She would touch our desert and turn it into garden,  
We would mischief and she with loves would pardon.  
She looks like a master yet she loved like a mother,  
She showed the way to care for one another.  
She indeed moved mountains for us,  
And we opened our hearts for her thus.  
We would always make you proud,  
And you'd definitely see us standing out in crowd.  
Not only was she our ship propeller,  
She surely is was and will be our dearest Sister Stella.

Lean on me when you are not strong  
I'll be your friend.  
And I'll help you carry on  
I am right up the road I'll share your load  
If you agree to never fight.  
It wouldn't matter who's wrong or right  
Good times and the bad time love is sent

## ***Tomorrow***

A day that never comes,  
But on which the whole world depends.  
A day for which everyone waits,  
But no one has seen its face.  
It can also be a day,  
In which our dreams come true.  
A day that can be happy too.  
A day that can also lay down our sorrows,  
It can also be a better tomorrow.

## ***Lesson From Failure***

Failure doesn't mean you have accomplished nothing...  
It means you have learnt something!  
Failure doesn't mean you have been a fool...  
It means you have to find a better tool!  
Failure doesn't mean you have been disgraced...  
It means you are willing to try and win the race!  
Failure doesn't mean you don't have it...  
It means you have to do in a different way!  
Failure doesn't mean you are inferior...  
It means you are not perfect!  
Failure doesn't mean you have wasted your life...  
It means you have a reason to start a fresh!  
Failure doesn't mean you have to give up...  
It means you should try harder!  
Failure doesn't mean you will never make it...  
It means you will take a little longer!  
Failure doesn't mean God has abandoned you...  
It does mean God has a better idea just for you!.

## ***My School, My Inspiration***

On 15th of March, 2015, I entered the school gate for the first time with mixed feelings. I was nervous yet excited. As the day progressed, I made many new friends and the warm and welcoming teacher made me feel at home in a new school. And now after studying in Chelsea for the past years and getting to know my happy-go-lucky classmates and the dedicated teachers I feel I am an integral part of the huge Chelsea family. Like everyone, I too want to leave a mark in this world and make my school and parents proud.

## ***I Hear Your Voice***

Shall my words become a guide,  
For those whose voice goes unspoken  
For those who've traveled a narrow solitary road,  
Shall a wider, less previous path be broken?  
Will you realise you're not alone,  
When I tell my story true...  
If I make myself grow  
Revealing heart and soul to you?  
For far too long our pain's gone unseen.  
For far too long our voices fallen silent.  
So, my purpose is to make us known...  
No longer shall others deny us our reality.  
No long shall we go unbread,  
nor permit others to make our choice.  
No longer, in darkness shall we bide,  
For in every word I speak, I glide  
I Hear Your Voice.

## ***My Motherland India***

The land of diversity  
The land of various ethnicity  
But unite by one colour  
But unite by one colour  
That's my motherland...  
From Kashmir to Kanyakumari,  
From Arunachal Pradesh to Gujarat  
Different languages and different culture  
But bonded the one nation  
Our history of freedom fighters  
And their sacrifice  
Always be remembered  
The Himalayas have worn a crown  
Gave birth to some of the greatest rivers  
But flow on with one colour  
To meet Arabian sea and Bay of Bengal  
And that's my motherland

Because at the end of your race,  
Only you'll be the one left to win it with your own talent.  
Only you'll be the one to understand yourself the best  
Only you can enhance the talent inside you...  
If you can't find your talent  
Stop!  
Look around, and  
Then again start searching for your talent  
When you get it, you every time make it unique.  
And it gives you HAPPINESS...  
When you experience all these things  
You should be smart enough to work on it and make it your True Talent.

## ***The Value of Time***

There is a common and true saying that "Time and Tide wait for none" which means time never waits for anyone. Opportunities do knock on our doors all the time hence we should try to utilise the time. The money gone can come back, but the time gone will not come back. We must seize time and opportunity when it exists. We must be always alert. Time comes and goes as usual but never stays. Time is free of cost for all but one can never sell it or buy. It is the time which makes everyone dance around. Nothing in this world can defeat or win from it. Time is called as the strongest thing in this world which can damage and improve anyone.

## **Eyes Are Precious**

The eyes are more than windows to the soul. The eyes also reflect illness that gains in another tissue far from the eyes. Eye diseases are common and can go unnoticed for a long time. Children who have eye problems face multiple issues such as a difficulty to read blackboards, see and recognise others from a distance, and to play team sports. Regular eye examinations from an early age make a great difference in the lives of these children. Frequent headaches warrants for an eye checkup. In England, vision screening is undertaken in the first year of the school. If any student fails to attend this vision screening, a letter is sent home inviting the parents to attend a follow up at the hospital. Similar strategies are also required in our country too. Children should avoid rubbing eyes, should not apply eye cosmetics, reduce continued exposure to digital devices, keep a good distance from screen and while reading, giving the eyes enough rest, regular exercise and balanced diet are the simple and easy preventive measures. Your eyes are your best device. Love your eyes, love your future.

## **Child Labour**

Don't ask children to take tool  
Instead send them to school

According to UNICEF roughly 160 million children were subjected to child labour at the beginning of 2020, with 9 million additional children at risk due to the impact of COVID-19. This accounts for nearly 1 in 10 children worldwide. Almost half of them are engaged in hazardous work that directly endangers their health and moral development.

The term 'child labour' is defined as work that deprives children of their childhood, their potential and their dignity, and that is harmful to physical and mental development.

According to the ILO, there are around 12.9 million Indian children engaged in work between the age of 7 to 17 years old. When children are employed or are doing unpaid work, they are less likely to attend school, trapping them in the cycle of poverty. Those children are especially vulnerable and are often exploited by trafficker who force the boys and girls to work for very low wages or nothing at all.

The Indian government enforced a law against child labour in 1993 prohibiting dangerous work or activities that could harm the mental, spiritual, moral or social development of girls and boys under the age of 18.

## **Beautiful Mind Better than Fair Complexion**

Someone has very rightly said, "Beauty isn't about having a perfect face." It is about having a pretty mind, a heart and most importantly a beautiful soul. However, there are many people who mock this moral and run after appearance rather than personality.

In India, people are so obsessed with fair complexion that they reject the girl for marriage because of her dark complexion.

"Beauty is not on the face, beauty is a light in the heart". This conveys the significance of inner beauty. Our behaviour in society; our acts of kindness; compassion and grace. All these things reveal our inner beauty of mind. So instead of giving preference to fair complexion, one should look at the beauty of heart.

## Dreams

We all had dreams when we were kids. We wanted to be dancers, singers, doctors, teachers and what not. As we grew up our interests changed. We wanted to be different things. I think our 8-9 year old self would see this as a betrayal. All this time, we failed to understand that our future is not 'unknown', its unknowable'. One day you may feel like you could ace all your exams while the next day you may want to quit your classes. When we look back into the past, we understand what changed us. But when we look ahead, the thought of us fundamentally changing does not even cross our minds. This is where the paradox lies. We don't really know, what our future self wants. When someone asks us where we see ourselves in 5 years, we think of things our present self wants. The day you understand that your future self is a stranger you put all your hope onto it, is the day you start living, living for yourself in the present. Its important to remember that we all are not Leonardo daVinci but working hard to create new things. Every time opportunities given to us, is something that can help us to be different, different from the crowd. If you are sure of what you want to be, then you become a slave to your dream but waking up knowing that you can become everything and anything that day, that's where the beauty lies. Oscar Wilde said that not being fixed in life is a privilege. Being a verb and not noun-our dream should be this. Not being an artist but making art, not being a dancer but dancing or not being a writer but writing. People are like flowing, rivers, not stagnant. The uncertainty of the future is what makes people scared.

## A Night in Wonderland

She opened her eyes as the morning sun embraced her pale skin. "It was just a dream" she reminds herself. She found herself in what seemed a derelict forest, not a soul in sight. Even though she is someplace unnamed why does it feel so safe? Questioning herself, why does she feel as if she is finally somewhere she belongs, as if she is finally home?

Picking herself up, she prepares to take her first tentative steps into this unfathomable Universe. Startled by an abrupt sound from behind, she is greeted by a friendly face so full of joy. He wore a funny grin and. His laugh so bubbly, so pure, as if he was spring himself and with a warm gaze, yet so sad?

He introduced himself as Alestor, extending his hand welcoming her to this land of wonders. He gives her his word, he wouldn't leave her side. "From countless nights, I have been here", he said "I know this land like the back of my hand. Now its time I take your hand and show you the wonders, guiding you through the swaying trees, down to the sea bed, where we can see the moon while the sand feels like the clouds from heaven under our toes" Offering his hand, a gesture to ask if she'll join him.

Hesitating she takes his hand. Together they explored places beyond her imagination, beyond this anguished world. The sky was as if jewels were sewn into the black velvet, each glowing star as if a beacon of hope. Something about this place, something about him made it warm inside the little heart.

Tiny little fireflies twirled around them as they dance under skies cascading down on them. A peaceful humming filled the air as it nestled around them. They danced as it all slowly faded away, drifted from hands.

As she opened her eyes, a tear rolled down her cheek, "It was just a dream"...

# War

# for Peace

'If you want peace, prepare for war.' This sentence finds its place in some of the most quoted lines in history. Its meaning explains the basic nature of human character. No one in this world wants to accept that they were wrong. It takes courage to say 'sorry'. When this basic trait of human character spreads to a large part of the population and intensifies, it at last leads to a situation of war.

Both sides fighting a war think they are doing it for peace. The Germans wanted to expand their race while The Kaurvas wanted to protect their throne, while Pandavas wanted to protect the people, but was it necessary? The Russia-Ukraine war has made us think deep on this question. Is it okay to kill one's neighbours only because we did not want them to become friends with anyone else. Is it really a war for peace? The answer to all these questions could be, to change the line and instead say, 'If you want peace, prepare for peace.'

Women empowerment refers to making women powerful, to make them capable of deciding for themselves. Women have suffered a lot through the years at the hands of men. They were treated as almost non-existent as if all the rights belonged to men. Women from all over the world have been rebellious to reach the status they have today. In India, women empowerment is needed more than ever. Some women are not allowed to pursue higher education. Domestic violence is a major problem in India and women are afraid to speak up. There are various ways how we can empower women. Education for girls must be compulsory, so that women can get educated to make a life for themselves. They must be given equal opportunities in every field, most importantly the shame of divorce and abuse must be thrown out of the window. Many stay in abusive relationships because of the fear of society. Parents should teach their daughters that it is okay to come home divorced rather than in a coffin.

# Implications of Education Budget and New Education Policy

*To  
it  
on  
Right  
Track?*

Education system in India is transforming itself from universalization of access to education to access of quality education in line with global development. The economic survey 2020-21 has mentioned that while India has attained a literacy level of almost 96 percent at the elementary school level, it is still behind in achieving 100 per cent literacy. The 2030 Agenda for sustainable development, adopted by India in 2015 aims at, "Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all" by 2030. Therefore, there has been a major reform across the sector with the adoption of the New Education Policy-2020. The new education policy focuses on reforming and revamping of

all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the aspirational goals of 21st century education. The reforms envisaged through the NEP would require substantial increase in public expenditure on education as well as support through CSRs and CSOs. It is attempting to reduce drop outs and achieve 100 per cent Gross Enrolment Ratio in pre-school to secondary level by 2030.

## Importance of Music in life

Music is one of the greatest creations of mankind. Creativity in the purest and undiluted form is the true definition of music. It is an important part of our life as it is a way of expressing our feelings as well as emotions. The word music is derived from Greek word 'mausika'. It is a metaphysical dimension medium and abstract art that cannot be described in words.

Music is creativity in purest form, so it can also be concluded that it is the key to creativity. It helps you in improving your mental state by making it more artistic and indigenous. No matter what the great invention is, it requires art, creativity and imagination that is fulfilled by music.

Music is an extremely unique way to develop the capacity of memorizing. The best example to prove this is that you can easily learn songs rather than learning your syllabus. The reason behind learning a song quickly is that your mind enjoys music.

## Drugs and Youth

Making one fifth of the population, the youngsters carry with them the future of our country. Bearing the burden of a densely populated country like India is not a small task and drug addiction does nothing to lighten the load. We have been experiencing and allowing increase of drug consumption among the youngsters. In recent years almost everyday we read in newspaper that many colleges and even school going girls and boys are arrested by the police for illegal consumption and smuggling of drugs. The youth of India and recently our very own Himachal Pradesh has been topping the list of drug addicts. Youngsters here aged 16 to 20 are spending their lives by trapping themselves in this vicious cycle of pleasure. What may start just as experimenting or out of curiosity will slowly over power each and every aspect of your life. As the addiction goes a step further, it becomes more of a need than just a "problem solver". Drugs ruin your health to such an extent that you may end up smelling acetone, cough syrups and shoe polish just to satisfy your desire.

## Do not Judge the Contents of a Book by its Cover

Never judge anyone because every saint has a past and every sinner has a future. How much time have you spent judging others? Yes, we all judge each other as it is a human nature to judge others, but judging someone is not a good habit. Each one of us is different. We like different things and understand things differently. No one can judge others just by their appearance. You have to know and understand a person and then only you can come to a judgement. Judging a person does not define who they are, it defines who you are.

So, you should worry about your character as you are known by your own character, not by your education or words. It is pointless to judge somebody when you have no idea how far they've come or what they've been through. A person is not the sum of their appearance. They are the sum of their experiences.

A strong desire to travel beyond the blue wonder, to fly into the heavens and touch the stars someday was all that Kalpana Chawla dreamt of. Though it's easier to say, may be

Kalpana Chawla was not born with a silver spoon in her mouth rather had it all by believing in her dreams that is one of the reasons she had, time and again encouraged people by saying that one should never give up and work in order to achieve whatever they have dreamt of.

# PULWAMA ATTACK

"14 February, 2019" is known as "Black Day" for India. 40 CRPF soldiers travelling in a convoy to Srinagar, were killed just before Srinagar at a place named Lethapur (village in Pulwama district). A bomb maker of Pulwama 'Mohammed Umar Farooq' was carrying IED bomb in the car and took the car near the convoy carrying 40 CRPF soldiers, blasted it and those soldiers were killed on the spot. After the Pulwama attack the NIA (National Investigation Agency) started its investigation. They found that it was a well planned criminal conspiracy hatched by Pakistan-based leadership of terrorist organisation Jaish-e-Mohammed. The NIA dispatched 12 member team who were working with Jammu and Kashmir police. The training of explosives took place between 2016-2017. In 2019 the explosives including RDX were brought into the valley of Pakistan over a period of few months on new moon nights. The explosives were sneaked in from across the borders on the nights where there would be no moon. This is a strategy that is used by the infiltrators where in they wait for dark nights. A terrorist 'Sajjad Ahmed Bhat' purchased a Maruti ECO car for the purpose of carrying out the IED attack. This attack was planned in the morning of 6th February, 2019 but, because of the heavy snowfall, the National Highway was closed for sometime, the NIA Official said that the

attack got postponed to 14th February, 2019 when the National Highway opened. The suicide bomber drove on to the highway and carried out the attack in the car. This investigation took one year to solve the case. 12 terrorists who were involved were killed. After this Jammu and Kashmir police decided that the civil cars would not be allowed to move on the national highway while the Convoys are travelling. An Act was passed "Unlock Full Activities Prevention Act" for those who stir up terrorism. A beautiful book is written on Pulwama case, "The Lover Boy from Bhawalpur" by an officer.

## Sadness and Happiness

Like there are two sides of a coin, there are two sides of life sadness and happiness. Happiness cherishes your life whereas sadness brings terrible storms without any calamity. Sometimes when our life follows full joy we forget that grief is also a major share in life. Keeping a balance of happiness and sadness is important to realise what is right and wrong. A catastrophic storm took place in life and covered me completely for ever... Holding a chunk of sadness she looked all messed up... There is always one pain I often felt, which you will never know. Tears are words the heart can't express. Life is circle of happiness, sadness, hard times, good times and all. If you're going through hard time, have faith that good times are on the way... Happiness or sadness is not in our hands. Its our choice to make a situation happy or sad. How much ever happy you try to be, the situations around you won't let you. Happiness is just a side of a coin, sometimes happy, sometimes sad. Sadness gives depth, happiness gives heights. Sadness gives roots, happiness gives branches. Sadness is something that comes unexpectedly... There are many things to make you happy so don't focus on sad things.

## The Happiest Days of Your Life

School days should be a happy time in a young person's life. What can make people's life a misery during this time, then? In my opinion, there is one word which answers this question- Bullying. Unfortunately, bullying is quite common in schools where I live. It can affect students of any age and both boys and girls. A friend of mine had a very negative experience at school. Last year, an old boy continually called him names and sometimes used to post nasty messages about him on Facebook. Obviously, my friend felt very upset about this and this effected his self-confidence. Some days he didn't come to school. I think, when students find out that their classmate is being bullied, they should support him as much as possible. So that one day, all students will be able to go to school without a fear of being bullied.

## What Life Taught Me...

It's strange how each day comes with so much to learn. A void that can be filled with unlimited experiences and that completes us as a whole. In this journey of life we rush in, stopping for moments to acknowledge and appreciate things is so important. There are some lessons life has taught me; Sincerity and hard work.

Not improving is the worst thing you can do. Move at your own pace and work for progress. My Mathematics teacher used to say, 'you can't be perfect, but you can always be close to perfect.' Keeping this in mind, approach the kind of perfection that makes sense to you. Don't compromise your happiness. In the end, it's you who has to be responsible for all your decisions, might as well do what makes you satisfied and try to understand yourself a little more each day. Cherish this moment because it will soon become a memory. Don't rush through a process faster than you should and let your ideas inspire you.

In the end, we all need an "I did it" moment. It's when you know you did a good job in life. So, when you want to give up; stay there and believe that this moment will be worth it.

## Self Love

There is a saying, "You need your own love to save your heart." and that's just how self love is, to love yourself, nurturing yourself, appreciating yourself, to feel confident enough in yourself, to respect yourself, prioritizing yourself which is not selfish at all, and that's just how self love works.

But in today's world, we have somewhat forgotten its value. The Western influence has affected us in a way where we are trying so hard to fit in it. The fair skin, skinny body, the obsession is just growing and is quite scary. We've stopped loving ourselves enough to appreciate ourselves for the way we are, may it be physical appearance or any other factor responsible. This lack of self love is what conspires hatred and jealousy among us which further causes us to feel under confident and bad about ourselves. This under confidence is something that sucks out creativity and you catch yourself in this endless loop of comparison. This further conspires jealousy, sadness, hatred which is enough to degrade us. They fail to recognise the beauty, the talent, energy they can radiate from within themselves. They fail to recognise the power they hold to outshine others. They are overshadowing themselves with ideal standards that don't exist. We need to recognise the fact that we are beautiful just the way we are. The potential and charm we carry has the power to outshine. So let the dazzle shine brightly enough to blind everything.

## Value of Freedom

### Shaheed Bhagat Singh

When today, I ask you about our freedom fighters, how many do you remember? Not Many! Numerous freedom fighters sacrificed their lives for people like us, who don't even value their own freedom.

Shaheed Bhagat Singh coming from a family of revolutionaries, was a born fighter. How courageous would have been a boy who thought of sowing bullets to reap guns and fight for his nation's freedom. We all know him as a great freedom fighter.

But what we don't know is that he was a great writer and influencer. I would suggest you to read his articles on freedom and revolution which he wrote under Pseudonym 'Vidhrohi'. How beautifully he explained the difference between terrorism and revolution.

What are you planning to do when you turn 21?

Probably going out with friends, celebrating each and every moment of your life.

But, at the age of 21 Shaheed Bhagat Singh willingly came forward to die for his nation after Lahore conspiracy.

What is love for us now a days? Just physical satisfaction. That is not love, love was the feeling, the connection that legends like Bhagat Singh, Sukh Dev, Mahatma Gandhi had with their nation.

We are able to roam free under Democracy, living our life fully, enjoying every moment of it just because of people like Bhagat Singh.

Let us all follow the path of truth, love and harmony.

Today, physically he is not with us but his teachings will always stay with us.

Jai Hind!

## Feeling it

"Feel it before it bottles up inside you and burts at the worst moments of your life".

How often do you mark up your emotions to be less vulnerable and takes less advantage of? How often do you trick your mind into thinking that it does not bother you, but flashes in front of you every time you feel less of yourself? Quite often right?

In life you have good moments as well as bad moments, so why is it that you accept your good moments, your days when you feel the happiest but neglect those days when you feel not so happy or languishing? Why do you suppress all those emotions that make your chest ache?

You show up your happy, joyful site to everyone but when it comes to your sorrows, you don't want to be someone's emotional challenge (not even your own), so you cover them up, carry those bullets in your heart, shoot yourself to three or even 100 more times and let it all out in one go. If only you had done it earlier, these moments would be much easier to handle.

So, the next time you carry a bullet in your heart, feel the pain, don't let it bottle up every time. Feel it, then remove the bullet carefully, destroying no other memories and not even yourself, cry out a little and look up at yourself in a mirror and say, "Never again will I get hurt because of this, I will be my own friend, my own saviour and I will never let anybody hurt me like this again."

Remember the choice is yours either to feel it all and live a new life every new day find peace with yourself or bottle it up until you can take it no more.

# Internet

A very riveting topic 'internet'

We all use internet but do we use it properly. Do we utilise it to increase our knowledge or just for entertainment. The most used social media apps are Instagram, Facebook, Whatsapp etc. What good are they doing to us? Are they helping us to come closer to our family and friends or taking us away from them? Do we even remember those days when we actually used to sit together with friends and family to talk, instead of texting.

Now a days what we actually do is that when we sit with family and friends we scroll social media. We know what is happening in celebrities' family, but we don't have a clue what is happening in our family. We are together but still far away from family and friends. Before learning to speak, a child learns to use a cell phone. So, now let us learn to use internet for knowledge. So that we can build a bright future for our country.

# Metaverse

Metaverse, the future of the new generation is a network of 3D visual/virtual world focused on social connection. Imagine you would be able to communicate with people face to face by just wearing a headset even if they are miles away, watching a movie, but not just watching it, actually living in it, buying or selling land online, metaverse will make all this real.

All this seems to be fun but it may take many years for metaverse to come in action. This is because of its vast and complex set up. Metaverse has many drawbacks like fear of hackers, scammers etc. and that will not allow us to live peacefully. Metaverse may be a boon or a curse. What do you think about it?

## **A Letter to My Leader**

A good leader is a person, who takes a little more than his share of the blame and little less than share of the credit. Leaders are surely who were and are there from the first date towards the end.

" My favourite leaders are my teachers, who help me to climb the ladder of life. Rightly said "every great teacher is a great leader". My teachers are my leaders not just because that they taught me the bookish lessons, but the lessons of life. From falling to pick yourself up, gratitude, acceptable, forgiving, letting go, being kind and what not. Above all this, how could I ever be so ungrateful.

"Great teachers as leaders are the ones who can pull out individual from darkness of ignorance to the f light of knowledge".

## **Seasons**

"The seasons will change and so will you"

Nothing in this world remains same. Cars go, people go, seasons go and so will you go. But what matters is how you live your life. How a better version of yourself you became. How much love you gave and received. How much you felt at peace with yourself. You may never know, if you stay the same.

You must accept changes and you must change just like seasons. You must see life from a better and a wider perspective. Life is not just studying and getting good grades, that you will understand one day. Each season teaches us something new and so does each experience. What we see in this world is because of our perspective. So to see the world in a different way and perhaps better you have to change for good.

## **Gut Feeling**

### **What?**

Intuition is the influence of 'nonconscious emotional information' on the state of inner knowing.

### **Where?**

The entire right side of the brain and hippocampus contributes to the creative processing of subconscious information. 40,000 inter cardiac neurons send emotional signals through a nervous system of their own to decode intuitive impulses. 100 million neurons modulate the core sense of self. The 'gut brain' provides instinctual direct feedback.

### **How?**

The super conscicous mind unites the subconscious and conscious mind. We can access its intuitive state by thinking and feeling in a unified way.

## **Discipline**

In school life, discipline is very important for every student. At this age students have a tender mind and they do not know what is right or wrong. They need constant guidance and supervision from the parents and teachers. To achieve our goals and dreams, we need to live a disciplined life and follow a set of rules and regulations that relates to the proper code of behaviour. Discipline not only helps us to achieve our goals in life but also aligns us to keep going, keep working keep dreaming until it is 100%. To sum up we can say that discipline is the preparation of the brain and character. Students who are disciplined in school become respectful citizens when they grow up.

## **Importance of Focus**

Focus is important for your mental as well as physical health. It is a strong will to do something. Focus helps you to decide effectively as later your choice will affect your future. Focus is the key to success. The long gap of two years of not coming to school because of the pandemic has really had strong negative effects on people. People especially children have become used to online classes. Their phone screen times have increased than it was two years ago. They had become addicted to phones and staying at home. Their performance has decreased since after the lock down. For some, it has been a little difficult to adjust to coming to school after a long time. The solution for this problem for the parents is to decrease the screen time little by little and increase the social interactions with people more. Students can start understanding this situation and focus more on studies. All these little changes in the students' behaviour can help them to adust faster and quicker.

Focus helps you to decide your future. Therefore focus is the key to success.

— Nylza Zongmo

### **Why?**

The sixth sense is a biological defence mechanism, projecting future potentials into the conscious mind from a deep subconscious memory base.

According to the Quantum-Holographic Theory of Non Local Communication, emotional attention directed towards the object of interest attunes the bio-emotional energy generated by the body to a domain of quantum-popholo-graphical information, which is transmitted through intuitive perception.

So, never ignore a 'gut feeling'.

## Study Your Emotions

Ignoring your emotions is like keeping poison in your system. Learn to understand everything you feel. The aim isn't to force positive thoughts but to transform the negative ones into something healthier so that you can feel better.

## Today

What will be the next  
We have to do our best  
Leave to God the rest  
Don't wait for better  
Climb the present ladder  
What will be tomorrow  
Happiness or sorrow  
What will we get  
What would be a charm  
What will make us harm  
Forget the next  
We have to do our best  
Leave to God the rest  
Tomorrow will be pleasant  
If you live in the present.

## Salute to the Indian Soldiers

For us they are on border,  
Who can't break the order.

Who are always ready to sacrifice,  
They are as hard as Himalayan ice.

Salute to the Indian soldiers!

Because of them we are alive and,

We are secure in Indian hive.

Who always look for command,

Who have only one brand.

Salute to the Indian soldiers!

They fight in battle without any fear,

There is no security of future year.

Who don't know the difference of day and night,

Who are always ready to fight.

Salute to the Indian soldiers!

Who celebrate their festivals with bullets and guns,

We play Holi with colours;

But they play with rifles and guns.

They know only one colour which is 'Blood red'.

Salute to the Indian soldiers!

We complain for hot and cold day,

While they stay in harsh Siachen everyday.

They are never sure of their own life,

They don't know will they ever meet,

Their daughter, son and wife.

Salute to the Indian soldiers!

There village's routes are best friends of their wife.

Why politician play with their life.

And why payment of their life is done,

By some amount of money.

Is that all our duty towards our great Indian Army?

Again and again salute to the Indian soldiers!

## ***A Parent's Heart***

When you feel like breaking down or crashing in  
Who you turn to, to forgive your sin?  
When you cried your lonely tears,  
Who will be there to fight your fears?  
And when it feels like no one would understand,  
Who was there to hold your hand?  
There are people whom you can't replace,  
They're the ones who gave you your face.  
They'll love you through thick and thin,  
To show you the light from deep within.  
And if by chance you happen to die,  
They'll be the ones who will really cry.  
You see, my friend, there's no one who can love you  
More than your very own parents, that's for sure.  
Always remember, this is true, that wherever you go,  
Your parents will be there for you.

## ***How Brave You Are!***

How brave you are you signed your name  
And know the race you take  
You warrior heart ignores all those  
Who say you are making a mistake  
You see the big picture the grand perspective  
The price that freedom paid  
Still you move to the front masking all fear  
While I wish you would have stayed.  
I try to brave it with you  
But I only fail inside  
I am not the warrior you are  
I am your parent with love and pride  
I can't wrap my arms around you  
I can't see your smile a mile wide  
Or soothe your aching feet  
I really feel helpless  
As I sit here by the phone  
praying every moment  
Till you are safely home.

## ***As I Sit Quietly***

As I sit quietly  
Upon a grassy bank  
Of butterfly and Tulips  
I start out at nature's beautiful rays.  
The golden sunlight  
Hits the pure lake  
Making it glisten and  
Shine with the joy.  
Small board weight through  
The water under the trees  
Their whispering voices barely heard.  
Clouds of bright white snow  
Glide slowly overhead the sky  
As bright and as blue as the sea.  
The wind silently sails through the air,  
Leaving the sweet scent of flowers  
Small bird sing songs  
High in the greenest branches.  
Though their sound scarcely heard.  
Feeling my heart, rays of wonder  
So gentle and yet so strong  
My soul feels free like  
A Bird's first flight and for once  
I feel secure in my life

## ***Have Faith in Yourself***

Touch the moon and the stars above,  
Be the brightest in the sky,  
Start from rock bottom today,  
And don't be afraid to try.  
Be yourself, just who you are  
Keep signing like gold,  
Aim for the sky above,  
And don't be afraid to be bold.  
Do what you can  
And at least try what you think you cannot,  
Believe that you are the best  
Even if you are unknown of it.  
Have thirst for success one more time,  
There are millions of talents you possess.  
Bring them all to live light  
Choose the right way.  
Even if you are the only one,  
And after all the hard work.  
You will be proud of what you have done.

## Life

Life is just not a four letter word,  
It describes the whole world.  
Life is like a light,  
Where nobody steps in its way.  
Life is like a song,  
Where the tune goes up and down.  
Life is like a game,  
Where we sometimes lose or win.  
Life is like a clock,  
Where we can't get back.  
Life is like a painting,  
Where the colours are dark and bright.  
Life is like a cloth,  
Where all things tied lose or tight.  
Life is like a journey,  
Where roots are full of experience,  
Life is like a mountain,  
Where we get support of a family.  
Life is like a universe,  
Where all things importantly merge.  
Life is like a teacher,  
Which teaches us many more lessons.  
Life is like a mother,  
That takes care like none other.  
Therefore life is like a God's gift

## A Candle

I am a candle and I burn to give you light.  
I am the one who makes your dark life, bright.  
I melt silently every night, to give you a

Though I can neither talk nor can I move,  
But I am very important, that I can prove.

## First Day of School

The first day of school  
Can be hard for Mom and Dad  
Part of you feel excited  
The other part feels sad.  
For many years you've held their hand,  
And have been their loving guide.  
Now you know the time has come  
To leave their side.  
But it is only for a little while,  
As your child will learn and grow.  
And at the end of everyday,  
They will share with you all they know.  
So, as you walk away  
Don't worry anymore.  
School takes care of all those precious gifts  
When you leave them at school door.

## Dear Mother!

A mother loves right from the start  
No matter if the children are near or far  
apart.  
A mother gives never-ending love.  
She gives us comfort and peace like a  
beautiful dove.  
For us she will always do her best.  
Even when we put her patience to the test.  
She wipes our tears, chases away our fear.  
Encourages us to follow a dream.  
No matter how far fetched it may seem.  
Her gifts can never compare to any other.  
I am so honoured to call her my mother.  
Looking back on another year,  
I was so lucky to have a mother so dear.  
So mom, relax and enjoy, And always  
remember that  
I couldn't have asked for any other  
More incredible person to call my mother.  
I love you, Mom!

A flower will end;  
A fruit will be spared,  
For once or twice.  
I wish;  
The people, the time ;  
Will stop to relive.  
Things will be nothing,  
But white  
Like snow on ground  
Which covers the green.  
It will be a place,  
So empty and wild;  
Only to be filled by none.

## Why Not a Girl

People pray for a boy,  
not for a girl .  
They desire a boy,  
not a girl .  
Blessings are for boys,  
not for girls.  
They would love to have a boy,  
not a girl.  
But ...  
When they need wealth ,  
They pray to Goddess Lakshmi.  
When they need courage,  
They pray to Goddess Durga.  
When they need knowledge,  
They pray to Goddess  
Saraswati .  
Now tell me...  
Why do they hesitate to have a

## Why Me?

If you have to ask why me  
When you are feeling really blue.  
When the world has turned against you.  
And you do not know what to do  
When it pours colossal raindrops  
And the road's a winding mess,  
And you're feeling more confused  
Than you ever could express,  
When the saddened sun won't shine,  
When the stars will not align,  
When you'd rather be  
Inside your bed,  
The covers pulled  
Above your head.  
When life is something  
That you dread  
And you have to ask, why me?  
Then when the world senses right & true,  
When rain has left a gentle dew,  
When you feel happy being you.  
Please ask yourself why me? then too.

## Your Best

If you always try your best  
Then you'll never have to wonder  
About what you could have done  
If you'd summoned all your thunder.  
And if your best was not as good  
As you hoped it could be,  
You still could say,

## What If?

The sun will glow brighter they said  
Nights will be like a song so sweet  
And the trees will dance to the sweet melody  
Your eyes will lead you to heaven they said  
But what if they lead me instead  
Into a pit of fire deep?  
What if all the night does is weep?  
What if I cry out a river?  
Will you still let me in heaven?  
What if in my view  
The bright sun burns my soul  
And the night grows colder than my heart  
Will your warm hand still lead me to paradise  
What If?

## Chelsea

From the lanes filled with flowers  
To the beautiful buildings and towers.  
On the green grass below the swing  
And the music room where we sing,  
The activities in which we engage  
To the ever occupied nostalgic stage,  
The classrooms where we learnt & grew,  
You will not know when time flew.  
You'll be filled with memories  
And photos that fill up your galleries  
When you leave your school you will see,  
That there is no place on this Earth like our

## School Days

Growing up a day and age,  
With free expression all the rage,  
Our young ones learn when starting school,  
That reading's fun and maths is cool,  
While writing's not the least but boring,  
It really is so much like drawing,  
For every child it is essential  
To realize their full potential  
And teachers always do their best  
To stimulate their interest.  
When years of school days and  
At last will all examinations pass,  
Will the Children reminisce  
And say, "Our school days we will miss"  
And as the Final Day arrives,  
"They were the best days of our lives."

## They Say

They say  
I am free like a bird  
But I need to trim my wings  
And alter my flight.  
They say  
I am free like air  
But I need to watch my speed  
And see where I am heading.

They say  
I am free like a cascade  
But I need to see how and  
Where I am falling.  
Yes, they say I am free  
Free to fly, flow and blow.  
Yes, I am free...

## Happiness

Something that cannot be

Something which will some  
day decline  
Pass with months & years  
Changes like seasons  
everywhere  
Unordered the amount  
Can be soft or loud  
Can be kept with oneself  
Or can be shared.

## Perfection

But I ask  
To fit in this world  
It is the only way to pass  
But why to fit in  
When you can shine  
Why should I stop myself  
From my flight  
I may not be perfect  
But who said the world is  
I was made this way  
With a burning flame within me  
I will not put it off  
Not change myself for thee.  
I will not be someone I hate  
For those who don't know me  
Who don't understand what  
goes beyond me  
I will do what I want  
Be who I wish to be  
For who are they to change me.

There was no sun or the stars

But whenever it came to the judgement day  
Why do your tears have more weight

### ***Dina Belanger***

A little lady with just one faith  
Idolised Jesus from the day she knew his name  
Devoted her life as saint  
Increasing desire to receive Jesus in every way  
Not afraid to sacrifice,  
Self Denial for love or God she made

With Jesus dwelling in her heart  
Nothing went out of way  
She had chosen her own path  
Jesus' command was her only say  
Sense of intimate union,  
The name Thy name grace to faith

Of the Lord she knew lives in the sacred light  
After the first holy communion  
Congregation was to be her divine shrine  
A solute compassion, so complete and true  
It was Jesus who could light her way through

Jesus gave her strength to respond to his call  
She knew convent wasn't easy  
But her surrender was her power above all  
Dina Belanger, the one who lived for Jesus  
Served humanity with peace, Joy and passion  
As her purpose to her, we pray today  
May we like her find joy in the Lords way

Dina, The little child  
Was a special gift from God  
With a heart so pure and sensitive  
She dedicated her entire Life to Her Lord

Her love for Jesus so strong  
That even at the tender age of seven  
She yearned to be with her creator  
And serve him in heaven

She dreamt of Him  
Oh! how beautiful was her maker  
Her faith won Him so strong  
No devious temptation could shake her

Her Lord wanted her to join  
The Congregation of Jesus and Mary  
And how could she ever refuse  
So at the age of twenty four  
Dina Belanger had found her use

For she believed when Jesus calls you  
He also gives you strength to respond  
He wished to be detached  
From all that was not God

## समय अनमोल है

समय पृथ्वी पर सबसे कीमती वस्तु है, इसकी तुलना किसी से भी नहीं की जा सकती। यदि एक बार यह चला जाए, तो कभी वापिस नहीं आता। यह हमेशा आगे की ओर सीधी दिशा में चलता है न कि पीछे की ओर। जीवन में यदि कोई सबसे महत्वपूर्ण चीज़ है तो वह समय ही है। समय अनमोल है जिसका कोई मोल नहीं होता। हमारे जीवन में कई सारी वस्तुएँ होती हैं जिनका हम मोल आंक सकते हैं लेकिन समय का कभी भी मोल आंका नहीं जा सकता।

हम सभी जब भी इस दुनिया में जन्म लेते हैं तो सबसे पहली शुरुआत होती है एक विद्यार्थी जीवन से। विद्यार्थी जीवन में जो हमारे पास समय होता है, वह काफी अनमोल होता है। यदि विद्यार्थी जीवन के समय में किसी व्यक्ति ने उस समय का सदुपयोग किया तो वह सफलता की ऊँचाइयों को छू जाता है। वह समय को सही तरह से उपयोग करके जीवन में आगे बढ़ते जाता है।

दोष समय को दे रहा है।”

## ज़रा सोच-समझकर

लोग एक-दूसरे से कहते हैं, ज़रा सोच-समझकर काम करना। यह एक मुहावरा हो गया है। इसे बार-बार सुनने पर ऐसा लगता है कि सोचना और समझना एक ही मानसिक क्रिया के दो पहलू हैं। हम सोचने की क्रिया के साथ समझने को भी लपेट लेते हैं। लेकिन सयानों से पूछों, तो वे कहते हैं, ये दो बिल्कुल अलग बातें हैं। इन दोनों में इतना ही फर्क है, जितना कि देखना और अंधेरे में टटोलने में होता है। ओशो ने इन दोनों में बड़ा फर्क बताया है। वह कहते हैं कि सोचना, समझ का अभाव है। हम सोचते ही इसलिए हैं, क्योंकि हम समझते नहीं। जब समझ आती है, तो सोचना विदा हो जाता है। सोचने में विचार अंदर ही अंदर घूमते रहते हैं। सोचने में अनुमान होता है, तर्क होता है, फिर भी सही-गलत का पता नहीं चलता।

सोचने में प्रश्न पैदा होते हैं, पर अन्तर नहीं मिलते। समझ के साथ कोई प्रश्न नहीं, बल्कि उत्तर है। समझ ध्यान से पैदा होती है।

समझ को जगाने के लिए रोज़ कुछ समय अपने साथ शांत होकर बैठना होगा। अकेले में चुपचाप, बिना किसी तनाव के। ध्यान की ऊर्जा आपको अपने भीतर गहरे ले जाती है और आप उस जगह पहुँचते हैं, जहाँ समझ का सरोवर होता है, एक शीतल स्रोत। वहाँ से जो बुलबुला उठता है, वह है समझ।

## सच्चा मित्र

कहा जाता है कि विपत्ति रूपी कसौटी पर कसा जाने वाला व्यक्ति ही सच्चा मित्र होता है। संस्कृत में कहावत है -“राजदरबारेश्च” श्मशानघाट में साथ रहने वाला ही सच्चा मित्र कहा जाता है।

यहाँ ‘राजदरबार’ सुख का और ‘श्मशान’ दुःख के साथ रहने वाला व्यक्ति ही सच्चा मित्र होता है। सच्चा मित्र अपने स्वार्थों से ऊपर उठकर अपने मित्र को बुराइयों की राह पर चलने से बचाता है। वह गिरते हुए मित्र का हाथ थामकर उसे गिरने से बचाता है। वह अपने मित्र को कभी भटकने नहीं देता। सदैव उसे सही रास्ते पर चलाने की कोशिश करता है और संकट के समय कभी उसका हाथ नहीं छोड़ता। सच्चा मित्र अपना विवेक सदैव जगाए रखकर मित्र का विवेक भी जगाए रखता है। यों तो भटकाने और मौज-मस्ती में साथ देने वाले मित्र जीवन में कदम-कदम पर मिल जाते हैं परंतु सच्चे मित्र बहुत कम मिलते हैं ईश्वर से हमें यही प्रार्थना करनी चाहिए कि वह हमें स्वार्थी मित्रों से बचाए और सच्चे मित्रों से मिलाए।

## जीवन

जीवन सुंदर है, लेकिन हमेशा आसान नहीं होता है, इसमें समस्याएं भी होती हैं, और चुनौती एवं साहस के साथ उनका सामना करने में निहित है। जीवन की सुंदरता को एक बाम की तरह कार्य करने देते हैं, जो आशा प्रदान करके, समय की कोशिश के दौरान दर्द को सहने योग्य बनाता है।

खुशी, दुःख, जीत, हार, रात-दिन जीवन रूपी सिक्के के दो पहलू हैं। इसी प्रकार जीवन दुःख, आनंद, सफलता और आराम के क्षणों से भरा है। पृथ्वी पर कोई भी ऐसा इंसान नहीं है, जिसने ताकतवर, शक्तिशाली, बुद्धिमान या अमीर होने के बावजूद भी, संघर्ष पीड़ा या असफलता आदि का सामना नहीं किया हो।

इसमें कोई संदेह नहीं है, जीवन सुंदर है और हर पल जिंदा रहने का उत्सव है लेकिन व्यक्ति को प्रतिकूलताओं और चुनौतियों का सामना करने के लिए हमेशा तैयार रहना चाहिए। एक व्यक्ति जिसने जीवन में कठिनाइयों का सामना नहीं किया है वह कभी भी सफलता प्राप्त नहीं कर सकता है।

## आत्मरक्षा

आत्मरक्षा अर्थात् सेल्फ डिफेन्स का अर्थ है स्वयं की रक्षा करना। आज हम जिस तरह की दुनिया में रहते हैं, उसमें खासकर महिलाओं को अपनी आत्मरक्षा करना अत्यंत महत्वपूर्ण हो गया है। भारत जैसे देश में जहाँ महिलाओं को समाज में पुरुषों से कमजोर समझा जाता है तथा उन्हें निरंतर शारीरिक एवं मानसिक हिंसा का सामना करना पड़ता है, ऐसी स्थिति में महिलाओं के लिए आत्मरक्षा पहले से अधिक आवश्यक बन गई है।

समय-समय पर प्रशासन द्वारा आत्मरक्षा के तरीके सिखाये जाते हैं। स्कूलों में भी छात्रों को कराटे व त्वाइक्वांडो जैसे आत्मरक्षा के गुण सिखाये जाते हैं। आत्मरक्षा के अंतर्गत आप अपनी जान-माल की रक्षा कर सकते हैं। यह भी मान्य है कि जब आपके सामने कोई खतरा हो और आप खुद को उससे बचाने की कोशिश कर रहे हैं।

आत्मरक्षा के गुर आप समाचार पत्र, टेलिविज़न या अन्य माध्यम से भी सीख सकते हैं।

## हारकर जीतने का मतलब

एक छात्र की ज़िंदगी में हार-जीत तो होती ही रहती है। कुछ छात्र अपनी हार से सबक सीखते हैं तो कुछ हारने के बाद दुःखी हो जाते हैं। हम सबको यह समझना चाहिए कि हारने से ही हम जीतने के लिए तैयार होते हैं। हारने पर कई छात्र उसी चीज़ को छोड़ देते हैं जिसके लिए उन्होंने मेहनत की होती है। कुछ छात्र हारने पर जीतने वालों से ईर्ष्या भी करने लगते हैं। यह ठीक नहीं है। दुःख और ईर्ष्या हम मानवों के भाव होते हैं तथा हम इन भावों को ठुकरा नहीं सकते, पर हमें फिर भी दूसरों से ईर्ष्या नहीं करनी चाहिए। जब कभी भी हम हारे हैं, हमें यह याद रखना है कि हमारी मेहनत ही मायने रखती है और हम अगली बार और भी अच्छा कर सकते हैं। ‘हेरी पॉटर’ किताबों की लोकप्रिय लेखक जे. के राउलिंग की किताब लगभग तीस बार ठुकराई गई थी पर उन्होंने फिर भी हार नहीं मानी। हम हार से कई ज़रूरी चीज़ें सीख सकते हैं। हमारा विकास इसी तरह से होता है। हार को अपनी जीत बनाकर हमें सबक लेना चाहिए और हमें कभी भी हार नहीं माननी चाहिए। मेहनत करके ही हम जीवन में आगे बढ़ सकते हैं।

## समय का महत्व

समय एक ऐसी चीज़ है जो भिखारी को राजा और राजा को भिखारी बना सकती है। समय सबसे शक्तिशाली हथियार है, जिसके आगे दूसरा हथियार बेकार है। समय एक सामान्य शब्द लगता है लेकिन इसके महत्व को समझना बहुत मुश्किल है। एक सफल और असफल व्यक्ति के बीच समय की कीमत का अंतर होता है।

समय और धन की दौड़ में हमेशा समय की जीत होती है। पैसा कमाना आपको अमीर बना देगा लेकिन समय को जीतना आपको सफल बनाएगा। समय फिर कभी लौट कर नहीं आता, आपको इसका उपयोग करने का केवल एक ही मौका मिलता है। यदि आप आज समय का सदुपयोग करते हैं, तो यह आपको कल लाभकारी परिणाम देगा। समय बहुत कीमती है और इसे अच्छे कामों में खर्च करने की ज़रूरत है।

## जैसा करोगे वैसा भरोगे

मनुष्य का अपने कर्म पर अधिकार है। वह कर्म के अनुसार फल प्राप्त करता है। अच्छे कर्म करने पर उसे फल भी अच्छा मिलता है। बुरे कर्म करने पर उसे फल भी बुरा मिलेगा। कर्म करना बीज बोने के समान है। जैसा बीज होता है, वैसा ही पेड़ और वैसा ही फल होता है। एक कहावत है - 'बोया पेड़ बबूल का तो आम कहाँ से खाय?' इसलिए बड़े-से-बड़े लोग भी अपने बुरे कर्म का परिणाम प्राप्त करते हैं। हमारा व्यक्तित्व हमारे कर्मों का ही प्रतिबिंब है। अगर हम आजीवन कुछ पाने के लिए भाग-दौड़ करते हैं तो इससे हमारा जीवन ही अशांत होता है। एक छात्र परिश्रम की राह पर चलता है तो उसे सफलता तथा संतुष्टि का फल प्राप्त होता है। दूसरा छात्र नकल और प्रवंचना का जीवन जीता है और अपनी जिंदगी में असफल रह जाता है। अतः मनुष्य को पुण्य कर्म करने चाहिए। इसी से मन में सच्चा सुख जागता है, सच्ची शांति मिलती है।

## परिवार

किसी भी विकसित देश के निर्माण में परिवार की महत्वपूर्ण भूमिका होती है। मूल परिवार तथा संयुक्त परिवार, परिवारों के प्रकार हैं। ज्यादातर मूल परिवार खुशहाल परिवार होते हैं जिसमें माता-पिता के साथ एक या दो बच्चे होते हैं। बहुत से परिवार मध्यम वर्गीय परिवार की श्रेणी में होते हैं सबके जीवन में परिवार का बहुत महत्वपूर्ण स्थान होता है। बच्चा भविष्य में क्या बनेगा यह पूर्ण रूप से बच्चे के परिवार पर निर्भर करता है। परिवार व्यक्ति को बाहरी बुराइयों तथा खतरों से सुरक्षा प्रदान करता है।

परिवार ही हमें बीज से संचित कर एक विशाल वृक्ष में परिणत करता है। अपना परिवार व्यक्ति के लिए अपना संसार है।

## असफलता

असफलता स्थायी नहीं होती, अगर आप इतिहास को सुनहरा बनाने की सोचते हैं, तो आपको हार से निराशा नहीं बल्कि आशा मिलनी चाहिए। जिंदगी उनके लिए ख्वाबों का पुलिंदा होती है जिनके अंदर गिर के उठने का हौंसला नहीं होता और आप तो मेरे वज़ीर हो! जीतोगे कैसे नहीं।

‘अभी अभी गिरे तो क्या हुआ, उठना थोड़ी छोड़े हैं, अभी तो बैठे हैं कुछ पल के लिए, चलना थोड़ी छोड़े हैं। नहीं परवाह इस बेरूख ज़माने की अब हमें, कल दर्द से बाहर निकलेगे, अभी जीना थोड़ी छोड़े हैं। कुछ जीत जाते हैं एक बार में ही अपनी लड़ाई, हम आज हारे तो क्या हुआ, कल की आशा थोड़ी छोड़े हैं। उनको प्यास नहीं लगती जिनके घरों में बोतलें होती हैं, हम भी प्यासे नहीं रह सकते, हम कुआँ खोदना थोड़ी छोड़े हैं। तुम लिखो अपनी दास्ताँ सुनहरे कलम से, कल हमें भी लोग जानेंगे, लहू से सुनहरे इतिहास लिखना थोड़ी छोड़े हैं।’

## शिक्षकों को समर्पित

शिक्षक की गोद में उत्थान पलता है  
सारा जहान शिक्षक के पीछे चलता है।  
शिक्षक का बोया पेड़ बनता है  
हज़ारों बीज वही पेड़ जनता है।  
काल की गति को शिक्षक मोड़ सकता है  
शिक्षक की महिमा महान होती है।  
शिक्षक बिन अधूरी वसुन्धरा रहती है।  
याद रखो चाणक्य ने इतिहास बना डाला था।  
क्रूर मगध राजा को मिट्टी में मिला डाला था  
बालक चन्द्रगुप्त को चक्रवर्ती सम्राट बनाया था।  
एक शिक्षक ने अपना लोहा मनवाया था।  
संदीपनी से गुरु सदियों से होते आए हैं।  
कृष्ण जैसे नन्हें-नन्हें बीज बोते आए हैं।  
शिक्षक से ही अर्जुन और युधिष्ठिर जैसे नाम हैं।  
शिक्षक की निंदा करने से दुर्योधन बदनाम है।  
शिक्षक की ही दया दृष्टि से बालक राम बन जाते हैं।  
शिक्षक की अनदेखी से वे रावण भी कहलाते हैं।

## ज़िंदगी

किसी की मजबूरियों पर न हँसिये,  
कोई मजबूरियाँ खरीद कर नहीं लाता।  
डरिये वक्त की मार से,  
बुरा वक्त किसी को बताकर नहीं आता।  
अक्ल कितनी भी तेज़ हो,  
नसीब के बिना नहीं जीत सकती।  
बीरबल अक्लमंद, होने के बावजूद,  
कभी बादशाह नहीं बन सका।  
न तुम अपने आप को गले लगा सकते हो,  
न ही तुम अपने कंधे पर सिर झुकाकर रो सकते हो,  
एक दूसरे के लिए जीने का नाम है ज़िंदगी।  
इसलिए वक्त उन्हें दो जो तुम्हें चाहता है दिल से।  
रिश्ते पैसों के मोहताज नहीं होते,  
क्योंकि कुछ रिश्ते मुनाफा नहीं हैं  
पर ज़िंदगी को अमीर बना देते हैं।

## मनुष्य

क्या खोजते हो दुनिया में,  
जब सब कुछ तेरे अंदर है।  
क्यों देखते हो औरों में,  
जब तेरा मन ही है दर्पण।  
दुनिया बस एक दौड़ नहीं,  
तू भी अश्व नहीं, है धावक।  
रुक कर खुद से बातें कर ले,  
अंतर मन को शान्त कर ले।  
सपनों की गहराई समझो,  
अपने अंदर की अच्छाई समझो।  
स्वाध्याय की आदत डालो,  
जीवन को तुम खुलकर जी लो।  
आलस्य तुम्हारा दुश्मन है तो,  
पुरुषार्थ को अपना दोस्त बना लो।  
जीवन का ये रहस्य समझ लो,  
औश्र खुशियों से तुम नाता जोड़ लो।

## हार

हार वो सबक है  
जो आपको बेहतर होने का मौका देगी  
जहाँ तक दिखाई दे,  
वहाँ तक जाने की कोशिश जरूर करें,  
जब आप वहाँ पहुँचेंगे आप इससे आगे भी देख पाओगे।  
विकल्प मिलेंगे बहुत मार्ग भटकने के लिए

## फौजी

यूँ तो सरहद पर खड़े हैं कुछ ऐसे शख्स  
जिन्हें नहीं है अपनी जान की फिक्र...  
करके खुद को वतन के हवाले  
लगाते हैं सिर्फ़ भारत माँ के नारे...॥

हिंदु-मुस्लिम-सिख-इसाई सबने अपनी जान गँवाई  
करा दी अपनी धरती को दुश्मनों से रिहाई...  
गर्म लपटें चाहे हो सर्द हवाएँ रास्ते में  
इनके टिक न पाए वो भी खुद को बेबस पाएँ...॥

बदन पर वर्दी और दिल में एक मुकाम लिए  
करते हर पल भारत माँ को प्रणाम...  
इनकी हर साँस में तिरंगा लहराता है  
दुश्मन भी इनके सामने टिक नहीं पाए...॥

यूँ तो देशवासियों ने इनको कइयों बार झुकाया है  
पर हरदम इन्होंने अपनी जान देकर देश का सम्मान बचाया है...  
चाँद-सितारे भी गाते हैं इनके गुनगान  
क्योंकि कोई नहीं है इनके जैसा बलवान...॥

यूँ तो नहीं है यह कोई आम इंसान  
यह हैं फौजी हमारे देश की शान...॥

## जिंदगी की सीख

आज जिस स्थिति से हम गुज़र रहे हैं,  
जिंदगी के महत्व को समझ रहे हैं।  
न सोचा था, ये हो जाएगा,  
आई एक ऐसी महामारी है।  
हुई दुःखी दुनिया सारी,  
था समय बहुत बड़ा भारी।  
हुए संक्रमित नर और नारी,  
पर हार नहीं हमने मानी।  
आगे बढ़ने की हमने ठानी,  
हुई थोड़ी-सी परेशानी।  
उम्मीद हमारी जाग उठी,  
हिम्मत हमारी नहीं टूटी।  
महामारी से एक जंग लड़ी,  
जिंदगी शुरू कर दी नई।

## प्रकृति

हरे-हरे खेतों में,  
बरस रही हैं बूँदें।  
खुशी-खुशी से आया सावन,  
भर गया मेरा आँगन।  
ऐसा लग रहा है जैसे,  
मन की कलियाँ खिल गईं जैसे।  
ऐसा कि आया बसंत,  
लेके फूलों का जश्न।  
धूप से प्यासे मेरे तन को,  
बूँदों ने दी ऐसी अंगड़ाई।  
कूद पड़ा मेरा तनमन,  
लगता है मैं हूँ एक दामन।  
यह संसार है कितना सुंदर,  
लेकिन लोग नहीं उतने अकलमंद।

## माँ

माँ धरती है, माँ ही नभ है  
माँ ही रब है, माँ है तो सब है

कभी नहीं उफ़फ़ कहती है।  
केवल जन्म नहीं देती है  
वह जीवन भी देती है  
माँ गंगा है, माँ धारा है  
माँ तो माँ है।  
माँ बच्चों की चिंताओं का एकमात्र उपाय है।  
माँ की ममता में देखो कितना दम है  
दुनिया भर कही हर उमंग  
उसके आगे कम है।  
ममता की राहों पर उसको  
कोई बाधा झुका नहीं सकती  
संतान ममता की कीमत

## शिक्षक

जीवन में जो राह दिखाए,

माता-पिता से पहले आता,

सबकी मान-प्रतिष्ठा जिससे,

कभी रहा न दूर मैं जिससे,  
वह मेरा पथप्रदर्शक है जो।  
मेरे मन को भाता,  
वह मेरा शिक्षक कहलाता।

कभी है शांत, कभी है धीर,

## सपनों में उड़ान भरो

कुछ काम करो, न मन को निराश करो  
पंख होंगे मज़बूत, तुम सपनों में साहस भरो।  
गिरोगे लेकिन फिर से उड़ान भरो, सपनों में उड़ान  
भरो।

तलाश करो मंज़िल की, न व्यर्थ जीवनदान करो,  
जग में रहकर कुछ नाम करो, अभी शुरुआत करो,  
सुयोग बीत न जाए कहीं, सपनों में उड़ान भरो।  
उठो, चलो आगे बढ़ो, मन की आवाज़ सुनो,  
खुद के सपने साकार करो, अपना भी कुछ नाम करो  
इतिहास के पन्नों में अपना नाम दर्ज करो, सपनों में  
उड़ान भरो।

समझो खुद को, लक्ष्य का ध्यान करो,  
यूँ न बैठकर बीच राह में, मंज़िल का इंतज़ार करो,  
संभालो खुद को यूँ ना विश्राम करो, सपनों में उड़ान  
भरो।

## माता-पिता कौन हैं?

माता-पिता वो हैं जो -  
हमारे लिए कुछ भी कर सकते हैं,  
वो हमारे गुरु भी हैं और हमारे ईश्वर भी।  
वो हमें सही-गलत में अंतर बताते,  
और हमें सही राह दिखाते हैं।  
हमारी हर इच्छा पूरी करते हैं,  
हमें अच्छी बातें बताते हैं।  
सबसे ज़रूरी बात है यह-  
कि वो हमें पूरे दिल से प्यार हैं करते।

## सोच को बदलना

एक सपना पिरोया था नन्हीं आँखों ने,  
मगर रोक दिया उसको समझ की सलाखों ने।  
आज वो आज़ाद है,  
बढ़ने की उसमें आस है।  
समाज को झुठलाना है,  
खुद को सिद्ध करके दिखलाना है।  
अब न ही रुकना है, और न ही झुकना है,  
अब तो बढ़ते हुए समाज की पुरानी सोच को बदलना है।  
बस उस समाज की सोच को बदलना है...

## ममता

माँ है वह जिसने जन्म दिया,  
अपना सब कुछ अर्पण कर दिया।  
नौ महीने कोख में रख कर,  
सारा दर्द उसने सहन किया।  
खुद को कमज़ोर बनाकर,  
हमें पूर्णतः बलवान बना दिया।  
प्यार व दुलार से संस्कार भरकर,  
जग में उठने का गौरव प्रदान किया।  
तेरी ममता के आगे पर्वत ने भी,  
अपना शीश समर्पण कर दिया।  
धन्य है तू माँ, तेरी ममता के लिए  
वीरों ने भी यह संसार तुम्हें भेंट कर दिया।

## हिन्दी भाषा

प्रकृति की पहली ध्वनि ऊँ है  
हिन्दी भाषा भी, इसी ऊँ की देन है।  
देवनागरी लिपि है इसकी, देवों की कलग से उपजी  
बांग्ला, गुजराती, भोजपुरी, डोगरी, पंजाबी और अन्य कई  
हिन्दी ही है इन सब की जननी।  
प्रकृति की हर एक चीज़ अपने में सम्पूर्ण है  
हिन्दी भाषा भी अपने में सम्पूर्ण है।  
जो बोलते हैं वही लिखते हैं,  
मन के भाव सही उभरते हैं।  
हिन्दी भाषा ही तुम्हें, प्रकृति के समीप ले जाएगी  
मन की शुद्धि तन की शुद्धि, सहायक यह बन जाएगी।  
कुछ हवा चली है ऐसी यहाँ कहते हैं इस मातृभाषा को बदल डालो।  
बदल सकते हो क्या तुम अपनी माता को?  
मातृभाषा का क्यों बदलाव करो।  
देवों की भाषा का क्यों तुम तिरस्कार करो।  
बदल सको तो तुम अपनी सोच को बदल डालो  
हर एक भाषा का तुम दिल से सम्मान करो  
हिन्द की जड़ों पर आओ हम गर्व करें  
हिन्दी भाषा पर आओ हम गर्व करें।

## कैसा है दीदार मेरा?

न है कोई रूप उनका  
न है कोई स्वरूप  
खुदा के बंदे हैं वो  
यही है उनका रूप।

वे तो मुर्दे को जगा दें।  
ऊर्जा के स्रोत हैं वो  
विश्वास के हैं वो भण्डार  
कितनों को ही हौंसला दिया  
कितनों को ही तारा पार।  
शब्द नहीं हैं उनके लिए

## कोशिश से परिणाम

आज बैठी मैं कलम के साथ,  
लक्ष्य था कविता लेखन।  
सोचा पहले कोई अच्छी कविता ढूँढ़ लूँ,  
पर फिर सोचा स्वयं ही करूँ कुछ मंथन।  
पहले मैं भाई के पास गई,  
पूछा क्या मैं लिखूँ?  
भाई ने साफ इंकार किया,  
तो सोचा क्यों न स्वयं ही निर्माण करूँ।  
पहले मैंने विषय पर दिमाग दौड़ाया,  
पर कुछ न निर्णय हो पाया।  
फिर ऐसे ही कुछ लिखती गई,  
उमड़ते विचारों के आगे झुकती गई।  
नज़रों को कभी अंदर तो कभी बाहर दौड़ाया,  
सबकी हरकतों को भी निशाना बनाया।  
'बड़ा अजीब समा था'  
मैंने घड़ी को भी शोर करता पाया,  
जाने क्यों घर लग रहा था उस वक्त पराया।  
आगे जब कुछ नहीं सूझा,  
तो लगा ढूँढ़ना पड़ेगा उपाय दूजा।  
फिर ज़िद्दी वृत्ति सामने आई,  
बोली में तो कविता खत्म करूँगी भाई।  
कुछ पंक्तियाँ लिखने के बाद मैं जागी एक आशा  
और समझ में आया कि कुछ भी नामुमकिन नहीं,  
कविता तो है लय की एक भाषा।  
जाने क्यों किसी ने शब्द नामुमकिन बनाया,  
और लोगों के आत्मविश्वास पर पूर्ण विराम लगाया।  
ये डर! ये झिझक! उसी की तो देन है,  
वरना हौंसलों की उड़ान के लिए तो  
ईश्वर ने असीमित आकाश बनाया।  
आज मैं खुश हूँ मैंने कुछ नया सीखा,  
अपनी कविता के आगे लगता सब कुछ फीका।  
भईया को भी धन्यवाद दिया,  
क्योंकि उनके इंकार ने ही अंजाने में मेरा साथ दिया।  
इंकार और सफलता का अनोखा मेल मैंने देखा,  
आज अपनी ही कविता से मैंने बहुत कुछ सीखा।  
कोशिश करो तो फल ज़रूर है मिलता,  
निडर वही, जो कदम पीछे रखने के बजाए कदम आगे करता

## वजूद तेरा जो मिटाने चला कोई...

वजूद तेरा जो मिटाने चला कोई,  
वो खाक में मिल जाएगा...  
शोला है तू आग है वो,  
जो उन सब को राख कर जाएगा।

जो चाही है मंज़िल तूने,  
उस तक लड़कर ही जा जाएगा...  
मुसीबत लाख आए पथ पर,  
उन सबको मात दे जाएगा।

वजूद तेरा जो मिटाने चला कोई,  
वो खाक में मिल जाएगा...  
शोला है तू आग है वो,

## नारी

नारी है शान हमारी  
इसमें बसती है खुशियाँ सारी।  
समझो न किसी से कम तुम इसको,  
इसकी महिमा किसने है जानी!

प्रतिमा दुर्गा की झलकती है इसमें  
गुस्से और कोमलता का संतुलन कोई सीखे इससे।  
बढ़ती है जिसकी कामयाबी से खुशियाँ हमारी,  
वह नारी है शान हमारी!

जाने कितने आए और कितने गए,  
इसकी ताकत को दबाने की कोशिश में मारे गए।  
इसलिए, गौर से सुनो यह बात हमारी

## आज़ादी

पंछी हं कैद अगर,

बीत गए कई साल रूढ़िवादी विचारों में उलझ कर  
सुलझा मन के भाव तू।  
औरत, आदमी या हो कोई बच्चा,  
बस जीवन का कर सम्मान तू।  
तोड़ दे दीवारें सारी,  
आगे बढ़ विजयी राह पर।  
उन वीरों ने क्या पाया,

## पप्पू का फिर एग्जाम

सुबह से शाम तक जप रहा पप्पू भगवान का नाम  
खा रहा बार-बार बादाम, लगा रहा झंडू बाम।  
घरवाले समझ गए कि आ गया है एग्जाम,  
यानि पप्पू का सिर है जाम।  
पिछली बार जाम हो गए थे याद करने वाले उत्तर,  
याद हो जाते, यदि होते क्लासमेट रिया से सुन्दर।  
किन्तु सुन्दर, सुशील तो थे, प्रश्न पत्र में सवाल,  
ऊपर से पास में बैठी रिया, चेहरा जिसका कमाल।  
कमाल था उसका नूर, धमाल थी उसकी बातें,  
पप्पू जी के देखते-देखते 3 घंटे यूँही कट जाते।  
3 घंटे के मनोहारी पल ने दिया 3 नंबर का जलवा,  
एग्जाम बड़ा स्वीट था परंतु रिज़ल्ट आया कड़वा।

## दृढ़ निश्चय

हौंसलों की उड़ान हो,  
मन में न कोई थकान हो।  
आगे बढ़ो मीत रे,  
जग को लो जीत रे।

मत हटो अपने लक्ष्य से,  
बढते चलो, बढ़ते चलो।  
कौन है जो तुम्हें रोक सके,  
जब तुमने निश्चय किया हो

तो मत रुको,  
बस चले चलो, बढ़ते चलो।

— अनन्या अत्री  
आठवीं (लिली)

## बनना है कुछ खास

माना सफर है मुश्किल  
तो मंज़िल भी आसान कहाँ।  
अपने विचारों को बिखरने दो  
रखो अपने माता-पिता का मान।  
दिल कहता है कुछ देर और खेल लो  
कुछ और देर कर लो, अपनी मनमानी।  
पर चाहती हूँ कुछ बड़ा बनना।  
इसलिए अब बहाना होगा खून पसीना।

— मिहिका  
बारहवीं (लिली)

## नारी है देश की शान

नारी है देश की शान,  
फिर भी हम क्यों करते इसका अपमान।  
नारी से है संसार चलता,  
फिर भी क्यों उसे बोझों के तले दबना पड़ता।  
नारी के हैं रूप अनेक,  
फिर भी सहने पड़ते उसे कष्ट अनेक।  
नारी है आजकल सबसे आगे,  
फिर भी क्यों टूट रहे उसकी महत्त्वता के धागे।  
नारी को है करना पड़ता घर का काम,  
फिर भी क्यों हो रहा उसकी भावनाओं के साथ खिलवाड़।  
देश के उच्च पदों पर भी तैनात है नारी,  
और समाज में घिस-घिस कर परेशान है नारी।  
ना करो नारी का अपमान,  
वरना कौन बनेगा देश की शान।  
नारी तू है महान! तू है महान!!

— स्वरा सतान
